In order to turn your wedding into an unforgettable event...

Ideas

Releasing heart-shaped balloons in the air, an exciting helicopter flight, a romantic horse carriage ride through the beautiful Fex Valley or rather an exclusive photo shoot at 3'303 meters? We turn your wedding into a dream wedding!

Wedding cake

The confectioner of our in-house bakery would be delighted to create your individual wedding cake. Small wedding cupcakes or a multi-storey cake - we'll fit in with your wishes.

Wedding dinner

For your wedding dinner we offer you different options. Our head-chef conjures a 3- to 7-course menu, which can be served either in sharing style or as a buffet. There is also the possibility to create a menu which matches a particular theme of your choice. For instance, this could be a menu including traditional dishes from the region Engadin or a culinary journey around the world.
